PETITIONING THE COURT

To modify the conditions of supervision as follows:

CAUSE

Russell D. Bush is currently residing at the Spokane Residential Reentry Center (RRC) as a result of the sentence imposed on February 23, 2009. He is scheduled to release from the facility on or about September 6, 2013.

It was anticipated that Mr. Bush would secure adequate housing while developing a release plan appropriate for transitional purposes; however, he has been unable to establish a stable residence to date. Mr. Bush is actively seeking employment at this time. He is attempting to secure subsidized housing with the assistance of SNAP. Consequently, Mr. Bush has requested additional time at the RRC in order to develop a suitable release plan. If the Court concurs with the request for modification, he will release from the RRC when legitimate housing has been secured.

It is respectfully recommended that the attached waiver of hearing to modify conditions of supervised release be adopted extending Russell Bush's stay at the RRC for a period of up to 120 days. It is also recommended that Mr. Bush be allowed to transition to his residence immediately, once secured, from the RRC.
